PREMIUM WELDING GLOVE WITH HIGH FINGERTIP SENSITIVITY

Welding glove made from premium quality black goat grain leather with a cow split cuff. The high-quality materials offer excellent flexibility and a perfect fit. Gun grip reinforcements on the thumb, index finger, and palm provide added durability and grip, while glide patches on the sides of the hand protect against both abrasion and heat. To enhance fingertip sensitivity, the glove features a unique folded fingertips design. Heat resistant up to 100°C /212°F.

CHARACTERISTICS

- Extremely good fingertip sensitivity
- Extra flexible
- Excellent grip
- Perfect fit
- Comfortable

FUNCTIONS

- Withstands contact heat up to 100°C
- Heat-resistant sewing thread
- Reinforced seams
- Reinforced fingers and thumb

PREVENTS RISK OF

Burn injuries, Heat injuries

PRIMARY ENVIRONMENTS OF USE

Dry environments, Clean environments, Warm environments, Moist environments, Dirty environments, Harsh environments

PRIMARY AREAS OF USE

Agricultural work, Assembly, Building and construction, Concrete work, Construction, Engineering, Food handling, Forest work, Foundry, Glass industry work, Healthcare, High hygiene areas, Hot work, Installation work, Machine operating, Marine work, Metalwork, Military work, Mining, Paper industry work, Petro-chemical work, Repair work, Sheet-metal work, Shop work, Soil preparation, Tiling, Transport work, Warehouse work, Welding, Wood industry work

PRIMARY INDUSTRIES OF USE

Automotive repair and maintenance, Glass, ceramics and construction materials, Metal manufacturing and fabrication, Transport equipment manufacturing, Agriculture, forestry and fishing, Facility management services, Oil and gas extraction, Chemical and petrochemical industry, Rubber and plastics manufacturing, Basic metals manufacturing, Machinery and equipment manufacturing, Automotive manufacturing, Transportation and logistics, Electricity and gas supply, Building and construction, Electronics manufacturing, Mining and quarrying, Warehousing, Pulp and paper, Public safety, security and defence, Retail and wholesale

TYPE OF WORK

Light weight

SPECIFICATION

TYPE Heat protection gloves, Welding gloves

CATEGORY Cat. II

COLLECTION Welding
